Sir,

Charge Allowance to Sri H Narayana Rao, Health Officer, Mysore City from 10-4-1950 to 2-11-1950

***

I write to state that Sri H Narayana Rao, Health Officer, was posted in April 1950 to be in charge of the duties of Health Officer, Mysore City in the absence of Sri Lingaraju who met with an accident and consequently was on leave Sri H Narayana Rao who was Health Probationer at the time and who has since been confirmed in Government Order No H 21744/PH 131-50-16 dated 10-8-1951 with effect from 2 8 1949, joined duty in the Mysore City on the forenoon of 10th April 1950 and continued as such till 2-11-1950

2) On the recommendation of the Municipal Commissioner, Mysore for the grant of a special allowance of Rs 100/- per mensem, the Government in their Order No L 9191-3/C H 3-50-51 dated 19th December 1950 sanctioned a charge allowance calculated at one tenth the minimum pay of the appointment for the period Sri H Narayana Rao was in charge of the duties of the Health Officer, Mysore City Municipality

3) In this connection, it may be stated that Government in their Order No L 5634-6/CH 3-49-7 dated 17th December 1949 sanctioned an allowance of Rs 100/- to Sri Lingaraju but this was subsequently reduced to Rs 50/- in Government Order No L 3093-5/CH 3-49-50 dated 23-6-1950

4) Because Sri H Narayana Rao has been sanctioned 1/10 of the minimum pay as charge allowance and has been paid only at the rate of Rs 20/- per mensem by the Municipality, he has been urging for the grant of the special allowance at

P T O

at the rate of 50/- per mensem as granted to Sri Lingaraju, a copy of his representation dated 20th January 1951, addressed to the Municipal Commissioner, Madras and copied to this office, is enclosed herewith for the information of Government

3) In view of the fact that the Government were pleased to sanction an allowance of Rs 50/- per month to Sri Lingaraju, a Second Class Health Officer at the time, and Sri V Narasimha Rao also is a second class Health Officer with effect from 2.2.1949, it appears reasonable that the same allowance is granted to this officer also

4) In this connection it must be stated that a Junior Officer has to be posted to the City since the period was of short duration and it was inconvenient to disturb the other Senior Officers in the Districts, as they were busy with D D T spraying programmes which were newly started Sri Narayana Rao had just returned from Calcutta after completing his D F and it was found convenient to post him for the short duration He has acquitted himself well in this responsible position As a Junior Officer his salary is small and the place he was in and the post he was in charge necessitated his incurring an expenditure out of proportion to his emolument The allowances are intended to help the officers to meet the extra amounts that certain places and positions demand on their purses On this basis this Junior Officer, it is felt, should in all equity be given the consideration of sanction of the allowance he has claimed

5) I, therefore, request you kindly to obtain the concurrence of Government sanctioning a special allowance of Rs 50/- to Sri V Narayana Rao, for the period he was Health Officer, Madras City, in modification of Government Order No. 1401-3/50-2-50-67 dated 1/1-11-1950

Yours faithfully,

Director of Public Health 17/7

Reference G O No 3294-96/PH 6-50-6, Bangalore, dated 22nd May 1950 approving the action by the Director of Public Health in Mysore, Bangalore, regarding posting of I Narayana Rao, M B B S, D P H to remain in independent charge of the duties of Health Officer, Mysore City Municipality vice Dr B T Lingaraju on leave

2 Letter No C 2 PR 86/50-51 dated 25th September 1950 from the Municipal Commissioner, Mysore City, recommending the grant of special allowance of Rs 100/- per mensem to Dr I Narayana Rao, M B B S, D P H, during the period he was placed in charge of the Office of the Health Officer, Mysore City Municipality, with a view to enable him, being a Junior Officer to be better equipped to discharge his duties, as approved by the Municipal Council in its resolution dated 5th September 1950

3 G O No L 9191-3/C I 3-50-67 dated Bangalore the 12/19-12-1950 according sanction to a charge allowance calculated at 1/10 the minimum pay of the appointment for the period he was in charge of the duties of Health Officer in Mysore City Municipality

---

With reference to the above I have the honour to state that I was asked to go and take charge of the City Health Office, Mysore all of a sudden by the Director of Public Health owing to the fact that Dr B T Lingaraju, Health Officer, City Municipal Council, Mysore, met with a car accident and was bedridden in the hospital My posting was only a temporary arrangement for a period of about 3 or 4 weeks But, unfortunately, owing to reasons not known to me, I wasforced to work in that responsible post for a period of nearly seven months I was all the while agitating that I was unable to put up with the high cost of living in Mysore City, being a Junior Officer, a probationer, with a small pay of R 150/- per month On account of this forced stay in Mysore City for such a long time for no fault of mine, in order to meet the high cost of living and discharge my duties concentiously I have become indebted to the extent of Rs 800/-, I am quite sure that I would not have incurred this debit if I were posted to work in any mofusil The Municipal Council having recognised the plight in which I was put up, kindly recommended to Government in their resolution dated 5th September 1950 that I should be paid a special allowance of R 100/- per month The Commissioner also strongly recommended for the same

To my surprise I have been communicated a G O sanctioning me a charge allowance of 1/10th the minimum pay of the appointment for the period I was in charge of the duties of Health Officer, Mysore City Municipality It has not been clarified whether the post is that of a first Class Health Officer or a Second Class Health Officer If it is the latter I will be entitled to get the small allowance of Rs 20/- per month In this connection, I wish to bring to your kindnotice, the memo No DL Dis 188/50-51 dated 11-5-50 from the Director of Public Health granting me under article 68 I S R a charge allowance of three quarters of the acting allowance viz, ¾ of Rs 40/- or Rs 30/- per month which has already been drawn by me for having been in independent charge of the duties of Health Officer, City Municipal Council, Mysore (vide enclosure) Therefore, as a result of this G O dated 19/19-12-50 I will have to pay back the difference viz, Rs 30/- minus R 20/- i e, Rs 10/- per month to the Municipality This is avery unfortunate affair I have worked throughout my stay in the Municipality to the satisfaction of the Municipal Council and the Chief Executive Officer I request you sir, kindly to recommend to Government of Rs 100/- per month which was so kindly recommended by the Municipal Council in their resolution dated 5-9-50

P T O

In this connection I may be permitted to mention that my predecessor -- B. Lingaraju, who worked in the Municipality for about 8 months on a pay of Rs. 30/- per month was recommended for a special allowance of Rs. 100/- per month by the Municipal Council. Government passed an order granting the special allowance of Rs. 100/- to him, but modified the same subsequently and sanctioned Rs. 50/- per month. The intention of the Government in granting him this special allowance was to enable him to be better equipped to discharge his duties efficiently as his pay was low. In my case the pay is still lower to the extent of Rs. 50/- per month. As the circumstances in which I and Dr. B. Lingaraju are working in the Municipality were in no way different, I do not know the reason why as to why Government were kind enough to grant him the special allowance and deny the same to me. I feel that this is a gross injustice done to me and request you once again to recommend to Government for the grant of the special allowance and enable me to discharge the heavy debt that I have incurred for having worked in the Municipality for a period of seven months.

I am hopeful my humble request will be shown sympathetic consideration by you and the Municipal Council, more
